Please check your time zone for changes due to daylight savings. The AEST timezone does not have any daylight savings periods.

* Note Teaching Call 2 on 24 April is a longer session than usual.

* Note the Practice Call 3 will be on Thu 23 May instead of the usual Wednesday.

* The Practice Calls and Mentoring & Hotseat call times are determined by the group's requests. There is usually a morning session (friendly for US timezones) and an evening session (friendly for EU timezones).
